1. Log into your portal or if you are new to the portal, please register an account (parent details are required at this stage)

2. If your child attends a tennis or squash course, they have an account to which we can link you to. If your child is new to the Club, you will be able to add your child to your account when selecting the event to book onto.

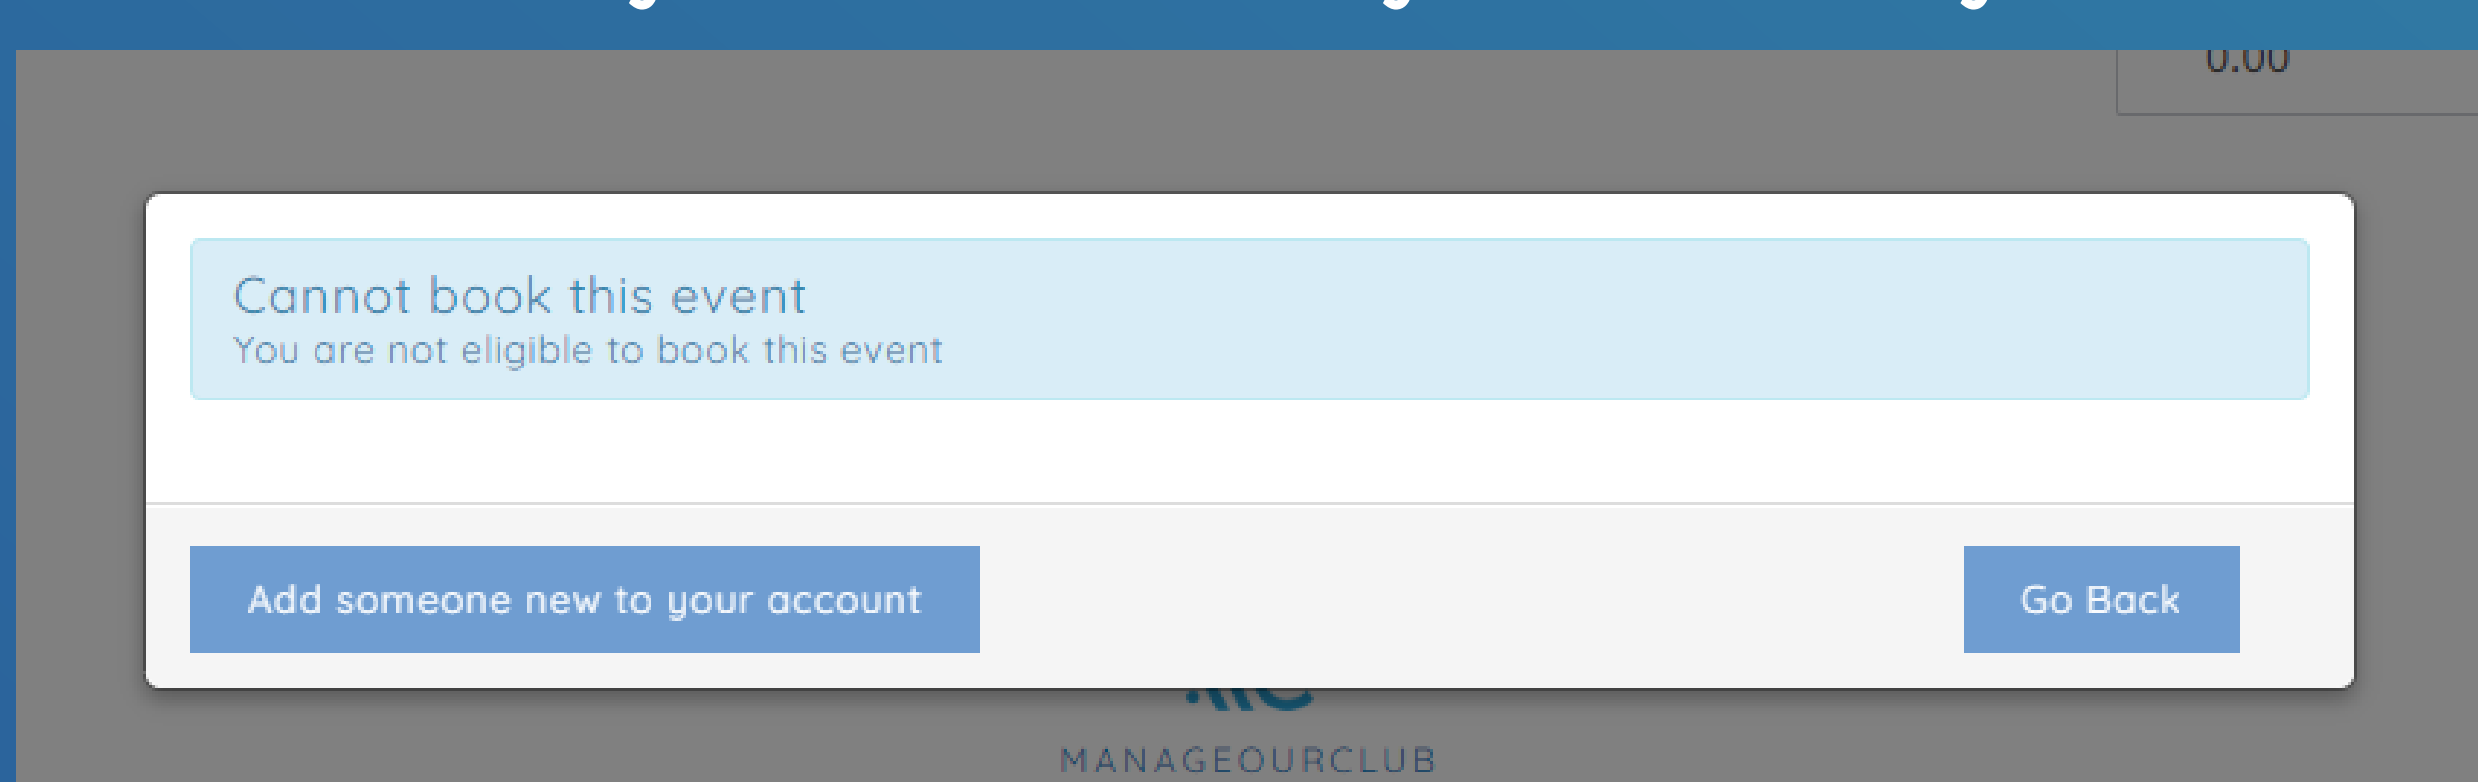

3. Select 'Holiday Camp' within 'Book for my child'

4. Choose which camp you wish to enrol your child on

5. Add your child to your account once you click book (if they are not on our system already)

Then follow the steps to book your child onto camp. If you are booking for Summer Camp, optional extras (lunch ticket & late pick up) are available as you process your booking.
